# WHO WE ARE

Camp Harbor View (CHV) strives to improve the lives of young adolescents from Boston's inner-city neighborhoods through a combination of traditional summer camp activities, leadership development, and year-round support focusing on the core values: Fun, Respect, Responsibility, Courage, Character, and Community. Each year, Camp Harbor View serves close to 900 youths. Once accepted into the program, campers attend one of two four-week long sessions on Long Island in the Boston Harbor and have limitless access to year-round programming and social services.
